Subject: RE: new draft response to acc re: IRIS formaldehyde assessment

Hi Lou – I will facilitate the IOAA review of this. Is there a due date?

Thanks,
Megan

Hi Lou,

Thank you for sharing the updated draft ACC response letter.

I'm copying Megan Fleming here for her to facilitate the IOAA review of the updated version.

Best,
Megan

Hi Megan,

Here's a new version of the ACC response letter (on the IRIS Formaldehyde assessment). Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

I've attached a new version of the letter, incorporating OAR's suggested text, to this email as well. Let me know if you need anything else.

Ok.... New direction:

Deliberative Process / Ex. 5

So we can cover our bases and ensure their offices know this is going out, can you please run the draft response past Carl Mazza and Dan Axelrad as an FYI? If they have

comments or strong reservations about the content, we will take their recommendations into consideration.

Thank you for your help,
Megan
